# ESCAPE GAMES

Currently, MindMaze operates with 4 game rooms at two locations. The games are optimized for 2-6 players so up to 30 people in total can play at the same time. If you are planning a teambuilding event for more people, it requires to book more time slots.

A game takes 60 minutes, plus a few minutes before the game for a short briefing. There is a 30 min break between the groups for briefing and rearranging game rooms.

We are open every day from 10:00 until 21:00.  
For the specific time schedule of the games please contact us or visit our website.
